SUPPLIER EVALUATION

Dear Sirs and madams,

COFUNDI has implemented a Quality Management System, according to the UNE-EN-ISO 9001:2015 Standard, which includes all the necessary requirements to improve the products and services provided to our customers.

A Quality System such as the one mentioned, involves a complex and extensive work in the coordination of all management circuits of the company.

Among the efforts we are making, we give great importance to the selection and evaluation of suppliers, and we are pleased to count you among them.

Every year we carry out an evaluation of the suppliers according to the following criteria:

- Product quality.
- Fulfillment of the established delivery terms.
- Price competitiveness compared to the competition.
- Quality certifications.

Thank you for your cooperation, we send you our best regards.
